COMMISSIONERS WELCOME

The Illinois ASA is happy to hold the Class "A", Men's Slow Pitch Softball, State Tournament in Decatur, and Moweaqua, Illinois. Our host teams from Decatur, and our co-host team from Moweauqa want to welcome all teams, sponsors, and fans to these two fine softball cities, and hope all of you enjoy your stay in our area.

Chrysler Park was the site of the 1976 Class "A" State Tournament, where a fine tournament was conducted. In years past, several Class "AA" Slow Pitch State Tournaments were held here. This year there are excellent teams competing in the tournament, with many good teams being eliminated in Regional Tournament competition.

The Amateur Softball Association now has 72,503 adult teams and 34,051 umpires registered in the United States. Another 10,000 youth teams competed in our program in 1976. The game as directed by the ASA, governing body, has grown tremendously.

Bill Chrysler, the man who built Chrysler Park to give men and women an opportunity to compete in a well organized Softball Program, has brought this Tournament to Decatur and the surrounding area for the third consecutive year. Bill is assisted this year by Gary Watts of Decatur, and Bill Stokes Moweaqua.

The Tournament Directors and the Illinois ASA hope that you all enjoy this tournament and wish the best of luck to all the teams, their sponsors and their fans.

May our winner and runner-up do well in the Midwest Regional.

Yours in Sports,

Bill Chrysler
