Bridgeport bops 'Saints' 14-7 to win regional softball tourney

Bridgeport put it together in the fifth inning of the championship game with St. Francisville to win the State Amateur Softball Association's regional tournament 14 to 7 here Sunday evening.

The "Saints," playing from the loser's bracket, was in their fourth game of the day — the third straight affair — and were leading Bridgeport 2 to 1 when the Merchants started their "merry-go-around."

Bridgeport scored 7 runs to take the lead 8 to 2 and hung on despite a 5 run rally by the "Saints" in their fifth inning.

With the score 8 to 7 Bridgeport added 6 big runs in their seventh inning to put the game away.

In the run packed seventh Pat Zwilling hit through third into left. Bruce Jones flied to the second basman. David Sears hit to center and when the dust settled Zwilling was on third and Sears on second. Bill Brian flied to center and Zwilling scored and Sears went to third. Jim Andrews hit a bouncer over short to score Sears. Jess Brian then hit to left and Andrews and Brian were perched on second and third. Steve Andrews then hit to center scoring Jim and Brian. Tom Zwilling, with Andrews on first, punched an inside the park homer scoring Steve Andrews ahead of him.

It was just too much for the "Saints." They went out one, two, three in the bottom of the seventh to take tourney runners-up honors.

In the previous game, it took the "Saints" an extra inning to win the right to face the undefeated Bridgeport team. The tough Lawrence County Stars were real stubborn.

The score was tied in the third inning at 2 runs. Then for four frames it was zero-zero. In the top of the eighth inning the "Saints" busted loose to put across 3 runs which the Stars were unable to match and they lost 5 to 2.

Bridgeport advances to Decatur, Thursday, Aug. 4, where they will face the fourth place winner of the Granite City Regional tournament at Chrysler Field at 9 p.m.
